### FREE Table Mountain Concert Series Presented by Coors Light

On Thursday, June 5, get ready to rock out with Journey Revisited – the ultimate Journey tribute band – as part of the FREE Table Mountain Concert Series presented by Coors Light at the 2025 Merced County Fair, presented by Valley Children's Healthcare! The concert starts at 8:30 p.m. and is FREE with your paid Fair admission.

Get ready to turn back time and rock out to the unforgettable sound of Journey with **Journey Revisited** at the 2025 Merced County Fair! Since forming in 2011, this high-energy California-based tribute band has wowed audiences across the country with their spot-on recreations of Journey's biggest hits—without using any pre-recorded tracks or digital vocal effects. It's all real, all live, and all heart. Frontmen Frank House and Kevin Jachetta bring powerful vocals that perfectly capture the spirit of Steve Perry and Gregg Rolie, while Val Popovic on guitar, Dave Sousa on bass, and David Hawkes on drums round out the band with the kind of musicianship that keeps crowds coming back for more. Known for selling out venues and breaking attendance records, Journey Revisited doesn't just play the music—they live it on stage with passion and intensity that you can feel from the front row to the back of the fairgrounds. Don't miss this epic night of classic rock with hits like "Don't Stop Believin'," "Wheel in the Sky," "Any Way You Want It," "Lights," and more!
