#### [Scotty Rich Music](#)

After being involved in a band for nearly 20 years as a drummer, Scotty Rich is now stepping out from behind the drum set and into the spotlight as a solo artist. Enjoy his original and cover music with a modern country twist and lyrics inspired from the experiences of everyday life.

#### [Temporary Unknown](#)

Temporary Unknown are high school and college kids that play various covers of alternative metal and punk rock! They've played at many local open mics, the Nut Festival, in Atwater and now at the Merced County Fair!

### [Danny G Band](#)

Created in 2019 in Merced by lead vocalist Danny Guizar, the Danny G Band showcases various musical styles such as pop rock, classic rock and a heavy dose of blues rock covering songs while also throwing in some original material. Some of the musical greats covered John Mellencamp, Clearwater Revival and the Eagles, in addition to some of today's favorites such as Kings of Leon, The Black Keys and Gary Clark Jr.

### [Michelle Lambert](#)

Michelle Lambert brings a world of experience when she steps up to the microphone. This Pop/Folk singer/songwriter has toured out of Nashville, Los Angeles, Denver and Miami after graduating from Berklee College of Music on a full scholarship. Michelle's latest single, "Come to Me," has caught the attention of the press and reached No.1 on Indie Radio for 4 consecutive weeks! Hailing from Mendocino County, Lambert began studying violin at age 2, vocals at 5 and piano and drums soon after which helped develop her songwriting and musical foundation. She is influenced by her studies in Celtic music and female empowerment is a recurring theme in her music. She is a genre-defying 21st century talent with a lot on her mind!

### [Doc Rogers Band](#)

As a performer with his bands for over five years, Doc Rogers invests all of himself into his shows. Alternating between his Ovation Elite and RainSong Carbon Fiber guitars, his gritty licks over smooth, versatile vocals made for a unique and memorable sound. With his humble disposition, dedication to his audience and sincere fan appreciation, Doc Rogers is a natural entertainer. His flair for modern country feels like a combination of Keith Urban and Darius Rucker with an edgy vocal growl.

### [TEKOA ft. Kali Diamond](#)

A follower of Christ and healing Soul-Searching music.
