## 2023 CARNIVAL RIDE LIST 2023

### SPECTACULAR RIDES

**MEGA FLIP** | The Mega FLIP, from Holland, lifts riders high into the air, 24 at a time. As the main boom swings back and forth, the base of six groups of seats begin to spin, giving the passengers a feeling of weightlessness while they soar through the air with their feet swinging free! This ride creates a thrilling, unforgettable experience for its riders and provides a spectacular show.

**TURBO SPEED** | Not for the faint-hearted. Riders are taken for a 70 mph 'spin' at the ends of a whirling arm that takes them 120 ft. in the air and sends them hurtling towards earth in an arc generating forces 3 times the pull of gravity. Features upside-down free-flipping action.

**GIANT WHEEL** | A towering tradition of Butler Amusements, the majestic Giant Wheel dominates the Midway day and night, offering patrons a sweeping view from a height of nearly 100 feet! Passengers are seated in separate gondolas and then whisked smoothly over the top and down again, reminiscent of the Ferris wheel. The Giant Wheel is a pleasant ride for the entire family!

**VERTIGO** | The A.R.M Vertigo towers over the midway at 100 feet in height and seats twenty-four passengers. Each seat holds two riders who are secured by a lap restraint. Once the ride begins, the entire center twists in a circular motion. Riders enjoy a swinging sensation as the entire center track lifts up slowly until reaching the top of the ride. Once the swing ride reaches the top it begins to slowly swing in a descent.

**VIPER** | A colossal ride with a brilliant green snake theme will take riders on a whirlwind journey. The large arm across the entire top of the ride tilts and spins. The Viper seats 24 passengers and uses state of the art shoulder bars.

**1001 NACHTS** | Our European 1001 Nachts ride is a spectacular bright ride on the midway and is a thrill to fairgoers. It is a platform ride that goes completely up and over in a circular fashion as riders leave their stomach behind. This colorful attraction is also energy efficient as it has been equipped with state-of-the art LED bulbs.

**GIANT SCOOTERS** | A new innovation on a traditional ride, our Scooters are state-of-the-art. Riders, seated in their "cars" begin a trip over a rectangular floor, bumping and dodging other drivers in their way! Coupled with the thrill of the ride is a light show, TV videos visible around the center of the platform, music, and more special effects at night! The Scooters are a custom-built attraction – the first in the United States, available only through Butler Amusements.

**WAVE SWINGER** | The German Wave Swinger is a work of art, combining the traditional swing ride with lavish, hand painted scenery. Three times the action, backed by spectacular lighting bringing them back for more.

**STARSHIP 3000** | The lights and excitement of the midway literally become a blur as Starship 3000 sweeps you off your feet. Unlike any other ride on our midway, the Super Shot will bring a new dimension of thrills to your carnival goers. A total of 12 passengers are loaded into the circular passenger station. Over the shoulder harnesses secure patrons, while they are gently lifted up the 90-foot tower. Once the passenger station reaches the top, it is released in an accelerated freefall and riders experience G-Forces more than 3½ times normal. Riders are then cushioned by a magnetic braking system stopping the station before it reaches the base of the tower.
