THE JUNIOR LIVESTOCK AUCTION

What is it?

The Junior Livestock Auction is the climax of a year's activity for 4-H, FFA and Independent Junior exhibitors. It is a learning and business venture. The youngsters select, feed and groom either a market beef, lamb, hog or goat. These boys and girls spend countless hours feeding and fitting their stock for the show. These are hours invested in sound education, in learning responsibility and basic principles of our free enterprise system. The product of their year's labor is then brought to the fair to be judged, graded, and sold.

The Fair is their market place!

Here they present their stock and receive the monetary value of their product and public recognition for their efforts.

Won't you help?

Your support of the Junior Sale will enable these youngsters to earn funds for college and to buy more animals, and will give them a good business background.

This is your opportunity to invest in the youth of today who will be the leaders of tomorrow.

FINANCIAL ARRANGEMENTS

All payments for livestock are to be made to the **Merced County Fair**. Accounts not paid within 30 days will be considered delinquent. A finance charge of 1½% per month, which is 18% annually, will be charged on all accounts over 30 days. Collection of accounts outstanding for **45 days** will be handled by Empire Credit and Collection. Accounts turned over to collection will have interest plus a \$20 processing fee added to the total balance due. For collection purposes, individual(s) signing sale invoice or proxy form will be responsible for payment.

PAYMENT IN FULL IS REQUIRED PRIOR TO ANIMALS BEING RELEASED FOR LIVE PICK-UP.

BUYERS WITH OUTSTANDING BALANCES AS OF 9/30/2021 WILL NOT BE PERMITTED TO PURCHASE AT THE 2022

AUCTION BUYERS' BARBECUE

A barbecue will be held immediately following the auction for those buyers who have purchased animals. **Buyers will receive two barbecue tickets for each animal purchased. Tickets must be shown for admission to the barbecue and will be exchanged for dinner.**

PRE-REGISTRATION OF BUYERS

To ensure that the auction and subsequent billing for animals runs smoothly, the fair will again use a system of pre-registration of buyers. If the buyer has purchased animals in the past two years, a number will be assigned and mailed to the buyer with the invitation to attend the auction. New buyers can either register the day of the auction or can complete and return a pre-registration form anytime prior to auction day.

WHAT TO DO WITH YOUR PURCHASES

1. Pick up live. ***Payment in full required prior to release of animal.***
2. Have custom killed and fill your freezer.
3. Have the animal automatically resold to a meat packer at market price and pay only the difference.

How the resale works:

If you buy a 120 pound lamb for:

\$3.00 a pound.....Sale Price \$360.00

Approximate Market Value:

\$.82 a pound.....Market Value \$96.00

Your donation.....\$264.00

The donation amount is what you would be billed. Figure the beef, hog and goat the same way. Market prices will be posted the day of the auction.
